

**Engr:1100, Engineering Problem Solving: Project/Lab Sections 11, 12, 1:30-2:20pm, MWF, Fall 2024**

**Instructor:** Professor Erwei Bai, 4314 SC, er-wei-bai@uiowa.edu

Office Hours: MW, 3:30-4:30 pm in-person or by appointment

**TA:** Rachel Loomis, [rachel-loomis@uiowa.edu](mailto:rachel-loomis@uiowa.edu), Office Hours: Tu 11-12pm SC 4301B and Thur 2:30-4:30pm, SC 4301A

- All class material is in ICON including course syllabus, announcements, assignments, supplements and report submission.
  - Section 11, M/W: <https://uiowa.instructure.com/courses/236079>
  - Section 12, M/F: <https://uiowa.instructure.com/courses/236082>
  - Course syllabus can also be founded at: [http://user.engineering.uiowa.edu/~eng\\_0055/](http://user.engineering.uiowa.edu/~eng_0055/)
- All assignments/reports are to be submitted on-time in ICON following the assignments and deadlines.
- Some lecture time will be devoted for project construction.
- Today's class:
  - Getting to know each other.
  - Form teams if possible: three to four members in the same section (M/F, M/F), At least one member has a window machine.
  - Submit names of your team members online in ICON Assignment 1, by 11:59pm on Tuesday Sep 3.
- The first project will be assigned next week.
