Ideal ‘Classroom’ Tutorial

56:138
Summer 2001

Tutorial Types

- Tutorial papers
- Tutorial presentations (sometimes confused with workshops)
- Classroom tutorial (student oriented)

Clear Goal

Algorithm Presentation

- General description
- List all steps
- Algorithm illustration (All steps and iterations?): Small example
- Algorithm illustration: Larger example
- Algorithm performance evaluation

Things to Remember

- Reference the algorithms
- Provide references to the text and figures
- Reference code

The Result

A+
