Electrical & Computer Engineering Graduate Seminar

“Engineers in Consulting”

Thursday October 8, 2009 3:30-4:20 PM Room 1505 SC

ABSTRACT

I will address the following issues related to consulting careers for engineers:

- What is Consulting?
- What do we help companies do?
- Client Success Stories
- Accenture Careers for Engineers
- Why Consulting compared to traditional Engineering careers?

This discussion will be followed by a Q&A session.

Bio:

- Robert Fuhrmann, Senior Manager at Accenture specializing in Supply Chain Management, Chicago Office
- Been with Accenture for over 11 years
- Graduated Iowa in 1998, Industrial Engineer - focusing on manufacturing
- Mechanical and Industrial Engineering Advisory Board Member

All ECE graduate students are required to attend.
